ELEMENTS GOLD

Introducing the new collection

With feminine designs, this collection focuses on giving a modern yet romantic twist to classic styles, all the while keeping their essence.

Inspired by the beauty and delicacy of Romanticism this collection features stunning wellbeing semi-precious stones such as pink amethyst along with elements such as the tree of life which will allow everyone to reconnect with nature.

The collection explores the future of classic jewellery styles with wellbeing diamond cut pendants, signet rings, mother of pearl and precious stones with stippling edges, all with a romantic and feminine approach.

IMPORTANT INFORMATION

- All products are 9ct Gold.
- Elements white gold jewellery is enhanced with rhodium plating.
- All coloured diamonds are heat treated.
- To emphasise the detail in our pieces, some products are shown larger than actual size.
- To offer you flexibility and the widest choice possible, all of our pendants and chains are sold separately unless otherwise stated.
- Elements jewellery is not suitable for the initial piercing or healing period.
- Colours and codes cannot be mixed to qualify for discounts.
- Please order rings in metric sizes.
- Rings are generally sold in sizes 52-58 even sizes only. Conversions as follows
– 52-L, 54-N, 56-O½, 58-Q
- Natural stone colours may vary.

- Some of our natural stones may have been treated to obtain the colour.
- All designs with the © sign are original designs by Elements design team.
- Lengths stated are approximate to the nearest cm.
- Ct weights mentioned in the catalogue are for diamond carat weights only.
- Carat weights quoted are approximate total weights.
- Carat weight for earrings are per pair.
- All pearls featured in Elements Gold are freshwater pearls.

High Resolution Image

- High resolution images are available to market the collection. These images are copyright of Gecko and they must only be used to promote Elements Gold jewellery. Please contact us for further details.

Responsible Jewellery Council - Elements Gold is supplied by a certified RJC jewellery company. RJC members commit to and are independently audited by the RJC Code of Practices – an international standard on responsible business practices for diamonds, gold and platinum group metals. The Code of Practice addresses human rights, labour rights, environmental impact, mining practices, product disclosure and many more important topics in the jewellery supply chain.

Colourful Moments

Moments of wellness with semi-precious stones. The collection has been created with simply exquisite colourful stones with meanings of Health, beauty, bravery, peace and comfort with the added sparkle of diamonds on a stippled edge.
