INDOMITABLE

La voluntad y obsesión del artesano fue siempre la de **domar el material** que tenía entre sus manos. Transformar una **idea abstracta en tangible**, deformarla al hacerla realidad en su paso de **idea a materia**. Y como si en nuestra esencia humana fuera consciente de tan difícil empresa, **hemos sido cincelados con la impronta de un espíritu INDOMABLE** (INDOMITABLE) que nos permite, paradójicamente, dominar la materia para asemejarla a nuestros sueños milenarios.

*The artisan's will and obsession was always **to tame the raw materials** he had in his hands. Transform an abstract **idea into tangible**, deform it until it becomes a reality in its way from **idea to matter**. And as if our human essence were aware of such a difficult aim, **we have been engraved with the stamp of an INDOMITABLE spirit** that allows us to tame matter to resemble our millennial dreams.*

FREEDOM

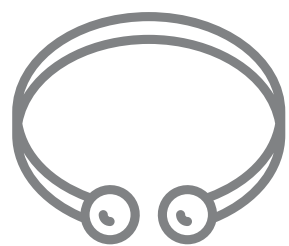

Libertad. Con un **batir de alas infinito** que transita incansable en un estanque alguacil de nuestros **momentos y ciclos**, cada onda provocada por el posado de la **libélula** altera la quietud y rompe fugazmente el equilibrio del agua.

Cada pieza de esta colección es una **alegoría de esas vibraciones de nuestra homeostasis vital**. Una ola que muta y ondula nuestro presente como **libélula interior** que transita INDOMABLE de un nenúfar a otro de la vida.

*With an **infinite beating of wings** that tirelessly travels in the pond of **our moments and cycles**, each wave caused by the perching of the **dragonfly** alters the stillness and briefly breaks the calm water surface.*

*Each piece gathered in this collection is **an allegory of our vital homeostasis vibrations**. A wave that switches and undulates our present like an **inner dragonfly** that travels INDOMITABLE from one water lily of life to another.*

SAVAGE

Salvaje. No existen atajos para nuestros sueños si nuestros miedos nos paralizan. **Latido a latido**, henchidos de coraje y corazón, debemos despojarnos del velo que marchita **nuestras ilusiones**. Amar sin corazas. **SALVAJEMENTE**. Porque nuestra voluntad de amar es siempre INDOMABLE y audaz.

*There are no shortcuts to our dreams if our fears paralyze us. **Beat by beat**, full of courage and heart, we must take our blinders off to blossom our illusions. Love without armor. **SAVAGE**. A feeling that cannot be bent.*

ECSTASY

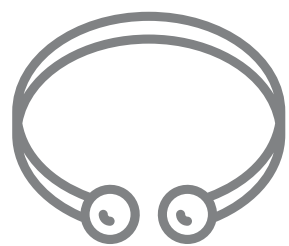

Éxtasis. Maestro de la contradicción y **experto en romper lo prohibido**, nuestro espíritu busca su destino mar adentro en busca de una luz que lo guíe.

Como chispas que anteceden el final de crepúsculo y **enloquecen nuestro ánimo**, otrora pausado. Las piezas artesanas de esta colección expresan el INDOMABLE delirio de nuestro ser.

*Masters of contradiction and **experts in breaking the forbidden**, our spirit seeks its destiny sailing in the sea, for searching of a light that guide them.*

*Sparks precede the end of twilight and **drive our spirit crazy**. Unique jewels that express the INDOMITABLE delirium of our being.*

THREAD OF LIFE

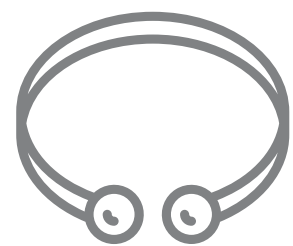

Hilo de la vida. Cuando parece que las estrellas palidecen en vez de guiarnos a puerto seguro, es entonces cuando aparece la **necesidad de coser los retazos que explican nuestro ser** y, como brújula, alumbran nuestro porvenir.

Motivaciones arraigadas en nuestro yo más profundo, que **nos construyen, unen e hilvanan**. Las joyas de esta colección quieren transmitir **fuerza y esperanza**. Es un tributo a ese faro interno e INDOMABLE que siempre nos guía hacia la felicidad y plenitud.

*When the stars seem to stop shining instead of guiding us to safe harbor. It is then, when **the need of sewing the pieces that explain and lead ourselves, appears** like a luminous compass. A genuine song to hope. A tribute to our INDOMITABLE inner lighthouse that guides us towards happiness.*

Motivations rooted in our deepest personality that build ourselves up. A path that leads to contemplate life from a completely different and positive perspective.
